Re: Your Public Record Requests

To Whom It May Concern:

Your three requests to the Butte County Board of Supervisors, Public Works Department and Department of Development Services seeking various records related to the Camp Fire was referred to this office for assistance in responding. Please be advised that the county will respond to your requests within the time period required by the Public Records Act. Your requests, however, require the "need for consultation . . . among two or more components of the agency having substantial subject matter interest" in the requests and, as a result, the county will respond to your requests as soon as practical, but in no event later than May 20, 2019. (Gov. Code, § 6253(c)(3).)

Very truly yours,

BRUCE S. ALPERT  
Butte County Counsel
